

547 BUSINESSES DISPLAY THEIR PRIDE of being family-run enterprises

The Family Business Tree – is an Umbrella Brand, it enables the family businesses to recognise each other and allows the consumers to distinguish the products manufactured by those businesses.

Business may obtain the right to use the Brand after a credit agency's positive verification process

AN UMBRELLA BRAND – FAMILY BUSINESS

181 THEME AND MENTORING MEETINGS

- Family Businesses Foundation organises many exclusive family business owners meetings.
- Due to a careful recruitment process focused exclusively on family businesses owners we are able to create very open atmosphere during those meetings.
- We were hosted by Polish leading family businesses in their offices. The firm visits constituted one of the agenda highlights.
- 181 meetings for 2450 owners of Family Businesses

FUTURE OF YOUR FAMILY BUSINESS

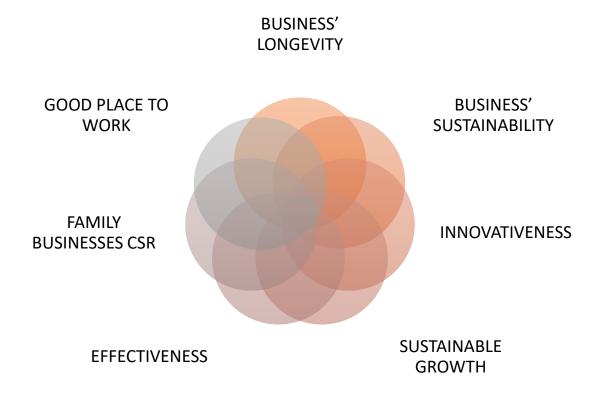

We organise those meetings on the Future of Your Family Business with Grant Thornton.

Their purpose is to ask questions on the future of your family and the family run business.

HEALTHY FAMILY BUSINESS

You cannot lead healthy lifestyle only after 5 PM

- We help family business owners to regain balance between their professional and private lives as well as to introduce health-conscious behaviours in the workplace.
- Our goal is to make the owners re-discover the energy and enthusiasm they had when they were setting up their businesses as it may have been lost due to heavy workload and everyday routine.

28 FOUNDATION'S NEWSLETTER

Quarterly newsletter "Firmy rodzinne dla firm rodzinnych". The third party contributors and the Foundation team produce the unique content.

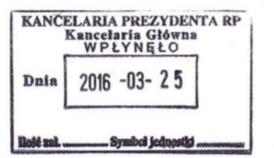

PUBLIC CONSULTATIONS

We are actively participating in law-making processes in Poland. On behalf of Polish family businesses we give opinions on law amendments and bills and how they may affect the economy and enterprises.

REPORTS

43% of Poles state they would be willing to pay more for products or services provided by family businesses, however, they do not know which are those offered by the family businesses!

60% of them would pay 10% extra for these products.

Workshops organised Poland-wide. Bank Pekao

WORKSHOPS FOR PARENTS

The workshops quote: Raising responsible adults who are self-confident and able to function independently.

EARLY WARNING EUROPE

The project's goal is to establish a support system for entrepreneurs which would consist of a set of tools and methods to be implemented in the UE Member States. The system will be designed in particular for the entrepreneurs who are endangered by some negative economic trends, insolvency and those who have returned to the market after a failure (re-starters).
